

## WHAT ARE CHANGE CLUBS?

Change Clubs are groups of people that meet regularly to inspire and motivate each other and together achieve a more sustainable way of living. Each Club is **free** to organize itself as it wishes, with a minimum of one meeting per month.

A coordination team supports Clubs with the onboarding process and beyond. The team provides tips and information, especially on areas where we can take concrete action. We decide what action areas to tackle first.

We learn from each other and transform our lifestyle together. With others and while having fun, change is much easier!

## WANT TO BE PART OF THE CHANGE?

---

**JOIN ME** to create a Change Club and be part of the transformation together.

Change is possible if we want it! However, the chances of success are higher if we join each other, it's more fun, easier to stay motivated and we can go much further!

If you are interested in creating a separate Club please [contact](#) Change Clubs or you can write to [info@changeclubs.global](mailto:info@changeclubs.global)
